HB 841 East Cobb, City of; incorporate

Bill Summary: House Bill 841 authorizes a local referendum for the creation of the city of East Cobb. The referendum, by call of the Cobb County election superintendent, will be on the ballot in a special election on the date of the 2022 General Primary.

The government for the city is composed of a city council consisting of a mayor and six council members each serving four-year terms. The mayor and city council members are elected through a non-partisan municipal general election held biennially in odd years.

The city council is authorized to appoint a city manager to act as the chief administrative officer of the city. The charter creates a municipal court to be presided over by a chief judge.
